CIVIC LEADERSHIP INSTITUTE 2007

Building Political & Civic Engagement in the Asian American and Pacific Islander Community

Leadership Education for Asian Pacifics, Inc. (LEAP) is proud to announce the schedule for our 2007 Civic Leadership Institute (CLI) programs!

The Civic Leadership Institute (CLI) was created to address the need for more civic participation, voting, and electoral representation by one of the nation's fastest growing ethnic groups - the Asian American and Pacific Islander (AAPI) community, as well as create a path for motivated and promising AAPI leaders to seek and secure elected and appointed positions at the local, state and federal levels. Through the CLI, we seek to provide the spark for meaningful discussions on public policy issues important to AAPI communities, and to also provide participants with a skill set and knowledge that will allow them to become effective advocates for the policies and communities they seek to represent.

This year LEAP is planning to hold four (4) Regional Civic Engagement Conferences and one (1) Candidate Leadership Training program:

Civic Engagement Conferences are scheduled for:

- February 10, 2007, Southern California - Orange County
- March 24, 2007, Central California - Stockton
- March 31, 2007, Central California - Fresno
- April 21, 2007, Northern California - Oakland

The Candidate Leadership Training will be conducted:

- April 25 - 29, 2007, Southern California - Pomona

For more information regarding the CLI, please contact Jade Agua at (213) 485-1422, ext. 4107 or jagua@leap.org.
