WORKSHOP Descriptions:

Session I 10:15 am - 12:15 pm

Workshop 1: Assertive Interviewing

Learn how to effectively sell yourself and maximize the success of an interview through assertive communication

Workshop 2: Understanding Leadership

Find out how to obtain greater awareness of your own work-style and communication preferences, which will help you to not only seek a better "fit" or alignment with the work or tasks you perform but with the people around you as well.

Session II 2:00 pm - 4:00 pm

Workshop 1: Executive Communication Skills

Discover how to effectively sell yourself and your ideas in different environments. Enhance your personal effectiveness when making presentations during meetings or when networking.

Workshop 2: Leveraging Civic Involvement for Career Success Panel Discussion

During this interactive session, participants will engage with the panelists on how leadership skills learned through our civic engagement/participation can help our work/careers and vice versa - how our work/career can benefit our community/civic participation.

Plenary Workshop 4:15 pm - 5:00 pm
